The Market will be led by a Committee responsible for all decisions relating to the operation and membership of the market. The Committee will be made up of: Chairman, Vice-Chairman, Secretary, Treasurer and Market Manager. All members will be invited to an Annual General Meeting. Officers will be elected by members' vote at the Annual General Meeting. (One vote per membership paid.)

1. All produce must be locally produced where possible. Where a produce is oversubscribed, priority will be given to the most local or to those producers, who in the opinion of the Committee, are the most beneficial to the market. There will only be what the Committee considers to be a sustainable amount of any one produce allowed at the market. This will be a maximum of three producers of any one commodity, but may be considerably less at the discretion of the Committee. The Committee will also ensure that a balance exists between different groups of produce so that any one type of produce is not over represented. Applications for membership will be placed on a waiting list if the market is oversubscribed for a particular commodity.
2. All members must be responsible for their own produce and only themselves or those nominated on their membership form are permitted to sell at the market. Bought in produce is NOT permitted. Members of the committee may call at your premises to check conformity.
3. All producers must have completed a Cowbridge Farmers' Market Membership Application Form. No producer may attend their first market of the year until they have received confirmation of membership acceptance by the Chairman or Secretary and paid their annual membership.
4. Each producer must have a minimum £5,000,000 Product Liability Insurance and Public Liability Insurance.
5. Producers must have a Hygiene Rating. This must be clearly displayed on the stall at each market.
6. All producers must adhere to all Local Authority regulations. Producers must be registered with their own local Authority as a 'food provider' where applicable
7. Stalls will be allocated each week at the Market Manger's discretion. All producers must clearly display their trading name and address on their stall. All producers and their stalls must be clean and tidy, clean aprons/ appropriate clothing and gloves must be worn.
8. The market will open from 9.00 am to 1.00 pm and each stall must remain open until at least 12.30 pm. All producers must be ready to trade with their vehicles off the market by 9.00 am. Producers arriving late will be refused a stall but their fee will be collected. Producers may pack up and leave the market after 12.30 with the permission of the Market Manager.
9. Produce should be appropriately packaged, labelled with the name and address of the producer, the weight and clearly priced. (where appropriate) Packaging and labelling should comply with Environmental Health and Trading Standards, whilst also giving consideration to minimal use of single use plastic. Where possible packaging should be compostable or easily recyclable.
10. Only remote cylinders may be used with gas cookers and fire extinguishers should be on hand (provided by the stallholder using the gas)
11. In the event of non-attendance at a market all producers are required to notify the Market Manager a minimum of 48 hours prior to the market to cancel the stall, failure to do so will mean you are liable for the full stall fee. An invoice will be submitted for the monies with payment to be sent prior to next attendance at a market. Failure to cancel your stall within the 48-hour timescale / No shows may result in refusal to attend subsequent markets or indeed jeopardise your membership.
12. Members are to clear away all their own rubbish before leaving their pitch site. Market sites must be left clean and tidy and any one repeatedly leaving rubbish will be excluded from the market.
13. All producers must park their vehicles, as directed by the market Manager, with consideration when they attend the markets.
14. Market Property: Loyalty cards, marketing materials including aprons, remain the property of the Farmers' market. Should you no longer wish to be a member of the market or your membership is cancelled you must return all market belongings.
15. In the event of any dispute at the market, comments at the first instance must be directed to the Chairman who will consult with other Officers as to how the matter should be resolved. In this event the Officers' decision taken at the time will be final.
